

Make Time for Family Fun

FRIDAY
April 26
5:30 - 7:00 PM
Chatfield Elementary School

Let's get together for an evening of good food and fun as we explore ways to use technology that keep our families safe, healthy, and strong. We'll look at simple things that encourage increased fun at home, good sleep habits, and positive relationships, to combat some of the negative impacts of screen time.

Don't miss this fun & informative FREE seminar.

Presented by Elizabeth Clark, mental health therapist for teens and families
